Main Job Duties:

AGD's Produce Department associates play a vital role in ensuring the quality and freshness of our products for our valued customers. Specific duties include, but are not limited to, the following:

- Perform date checks on all produce items to ensure compliance with freshness guidelines and preventing waste
- Conduct quality control checks on incoming produce shipments
- Cull produce to remove any items that do not meet quality standards
- Repack cases of produce items into smaller quantities, according to direction from leadership regarding package sizing, etc.
- Cut, slice, dice, and portion fruits and vegetables
- Prepare and assemble fresh salads, fruit and vegetable trays, etc. according to established guidelines and customer order guides
- Adhere to workplace safety protocols, including food safety guidelines, maintain cleanliness and sanitization requirements
- All other related duties as required

Work Conditions and Physical Capabilities:

Repetitive tasks, standing for long periods, lift, pull and push products up to 50 lbs.
